4 April 1975

MEMORANDUM FOR: All DDO Training Officers
SUBJECT : Scientific and Technical Collection
Course for DDO Officers

This Course is given in the Spring if there is a prospective enrollment of ten (page 58 of the OTR catalogue of course gives a full description). It would be appreciated if Training Officers would canvass their components to ascertain whether there is sufficient interest to schedule a course. Please let this office know informally by 15 April about the results of your surveys.
